

Easy to install 3 phase surface mounted track system.
 Aluminium profile structure ensures lifetime rigidity.
 Compatible to install any type of surface or construction.
 Surface or suspended mounting options for i-Trek S.
 Proper electrical and mechanical connectors variety.
 Lifetime electrical connectivity with total quality.
 Compatible with most of adapters on lighting market.

Easy to install 3 phase recessed mounted track system.
 Aluminium profile structure ensures lifetime rigidity.
 Compatible to install any type of false ceiling structure.
 Proper electrical and mechanical connectors variety.
 Lifetime electrical connectivity with total quality.
 Compatible with most of adapters on lighting market.

Product Description	Length (cm)	Color Options	Reference Code
i-Trek S 3 Phase ElectroTrack Surface Mounted	300cm	/01 White	IEA300.000.000.01.00.0
