

**i-Trek S DALI**

Easy to install 3 phase DALI surface mounted track system.  
 +2 Electrical Bus Line for automation (DALI/0-10V/etc.) signal.  
 Control all the lighting point on track in a flexible way.  
 Aluminium profile structure ensures lifetime rigidity.  
 Compatible to install any type of surface or construction.  
 Surface or suspended mounting options for i-Trek S.  
 Proper electrical and mechanical connectors variety.  
 Lifetime electrical connectivity with total quality.

**i-Trek G DALI**

Easy to install 3 phase DALI recessed mounted track system.  
 +2 Electrical Bus Line for automation (DALI/0-10V/etc.) signal.  
 Control all the lighting point on track in a flexible way.  
 Aluminium profile structure ensures lifetime rigidity.  
 Compatible to install any type of false ceiling structure.  
 Proper electrical and mechanical connectors variety.  
 Lifetime electrical connectivity with total quality.

Product Description	Length (cm)	Color Options	Reference Code
i-Trek S DALI 3 Phase ElectroTrack Surface Mounted	300cm	/01 White	IEC300.000.000.01.00.0
